School Choice Arizona's Selection Committee will consider donations recommending the student, financial circumstances, and the student's narrative when making scholarship awards. We cannot make any awards solely on the basis of a donor's recommendation, therefore, donation recommendations are not guarantees. The selection committee has complete discretion regarding scholarship awards.

Household Income You only need to fill out one Financial Info Form per family. This information will be held in the strictest confidence.

We determine financial circumstances based on the USDA's definition of household income. A **household** is a group of related or unrelated individuals who share housing, income, and expenses. You do not have to list those who are economically independent from you or their dependents, even if you share housing.

Include *all* household members below, including children, students away at college, and individuals without income. Processing delays can occur for applications containing incomplete Financial Info Forms.

NAMES: List the first and last name of **every** person living in your household. **Include adults and children.**

GROSS INCOME: Following each person's name, for each type of income, list the annual amount received.

Earnings from work: List gross income from work (wages, salaries, tips, commissions). This is not the same as take-home pay. It is the amount earned before taxes and deductions. It should be listed on your pay stub. If self-employed, you may report income after expenses (your own business, freelance work, farm, or rental property).

Welfare, Child Support, Spousal Maintenance: Include TNAF, General Assistance, General Relief, etc.
NOTE: Food stamps and FDPIR benefits are not included as income.

Pensions, Retirement, Social Security: Include Supplemental Security Income (SSI), Veteran's (VA) benefits, and disability benefits.

All Other Income: Include Worker's Compensation, unemployment, strike benefits, net rental income, annuities, net royalties, interest, dividend income, cash withdrawn from savings, income from estates, trust and/or investments, regular contributions from people who do not live in your household, and **any other income**. You do *not* have to include military or combat pay/allowances as income.
